Description

BARCELONA is a TIARA F44 FLYBRIDGE the perfect balance between a family good size and comfortable yacht. With multi use for fishing, diving, or cruising yacht. The flybridge is a perfect concept for those who love having a view of the ocean and enjoying family time in two different staterooms and environments. Also for those who love fishing and having a great panoramic view of the fishing lines and other fishing equipment onboard.

Twin Engine Volvo Penta IPS 600 model D6-435 IPS 600 with 435 horse power. A sole owner with excellent and preventive care who has done all maintenance up to date and still with full warranties from VOLVO. Starboard engine with 786 hours and the portside engine with 783 hours.

Equipped with a Cummins Onan 11.5 kw generator with 1800 hours, a SEAKEEPER and two 12' Garmin screens.

The yacht has 2 heads a master and a twin bedroom, two bathrooms and lots of commodities for guests on board.

Manufacturer Provided Description

With beautiful lines, sleek flybridge and legendary Tiara accoutrements, the F44 Flybridge will put you on top of the world. Sit back comfortably in ample, inclusive spaces that connect captain and guests. Enjoy the views from an easy-to-access flybridge, featuring bridge and guest lounges. It's the perfect combination of styling and efficiency of space that make the Tiara a sleeker, more sophisticated 44-footer that others can only look up to.....quite literally.
