Description

BUEN MAR, a 2022 MY6 from Fountaine Pajot, is meticulously maintained.

Powered by twin IPS600 engines, she is fully equipped, never chartered, and ready for new adventures.

This owner version features a luxurious king-size owner's suite, along with two elegant queen-size cabins and a versatile central cabin.

With a spacious flybridge, inviting salon, and expansive deck areas, BUEN MAR offers the perfect balance of comfort and performance for extended voyages and relaxation.

Additional Special Features:

- 220V and 110V electric circuit
- generator
- solar panel
- tropical air conditioning
- watermaker
- KVH trackvision TV6
- hydraulic swimming platform (with gelyfish net)
- hard top with retractable sunshade
- complete cockpit and flybridge enclosure
- dinghy Highfield CL340 with Yamaha 20hp engine
- bed linens, cookware, crokery
- ...

Complete inventory upon request

Word from the owner:

"BUEN MAR has brought us some of the happiest moments of our family live and the fulfillment of a cherished dream. For the summer, we sailed our boat through the Mediterranean and Ionian Seas, each journey spanning three months. We began our adventure in Morocco, then crossed to Spain's Costa Brava, the Balearic Islands, the Côte d'Azur, and onward to Corsica and Sardinia, before reaching the stunning Amalfi Coast and Capri. The following year, we explored the Adriatic Sea, sailing from Bari to Otranto, and then onto Croatia, Montenegro, and finally Corfu and the Ionian Islands.

This dream was realized on a boat that perfectly accommodated our family and friends. Its spacious and independent areas made it an ideal vessel for long journeys. These moments have been unforgettable—filled with long crossings, breathtaking sunrises, and a myriad of experiences. BUEN MAR consistently met the highest nautical standards and exceeded our personal expectations."
